Melissa Elliott
Director Quality Assurance
Envigo
melissa.elliott@envigo.com

Melissa Elliott has over thirty years of experience in corporate and contract GLP environments. She is currently the Director of Quality Assurance at Envigo, East Millstone, New Jersey. Melissa's current responsibilities include oversight of the quality management system, the QAU, hosting of both regulatory and sponsor inspections and computerized systems quality assurance. Melissa provides training for Envigo employees in the areas of GLP, computer validation and System Manager and PI responsibilities. Melissa maintains certification as a Registered Quality Assurance Professional-GLP as granted through the National Society of Quality Assurance (SQA) in 2002. Melissa is currently a member of SQA and the Mid-Atlantic Chapter of the Society (MARSQA).
