

**iJOBS Workshop: Exploring Non-Traditional Careers in the Pharma
Communications Agency Space**

Monday July 26, 2021
3-5pm

Alli Aber, PhD
Chief Medical Officer
PRN EXPERTS
alli.aber@prnexperts.com

Dr. A holds a PhD in Biology from Harvard with a concentration in pre-clinical drug development. They have almost 10 years of pharma experience in the educational and promotional space, focusing on medical direction and brand strategy. They have worked as VP Medical Director of the Publicis Group and as Principal of Pharm Strat Consulting. They are one of the principal founders of PRN EXPERTS - A consulting firm providing "as needed" medical strategy, direction, writing, and editing for pharma and healthcare advertising agencies.
