

# RUTGERS

Office for Research

## INNOVATION VENTURES TECHNOLOGY TRANSFER FELLOWSHIP PROGRAM

# START YOUR CAREER WITH US!

How do you protect and commercialize the results of scientific research? What goes into evaluating an Invention Disclosure, preparing Non-Confidential Summaries, and engaging with prospective licensees? How are agreements that govern Technology Transfer in an academic institution negotiated? Learn the ins and outs of the exciting world of Intellectual Property with hands-on experience.

**Stipend\* of \$1,500-\$2,500 upon completion of fellowship program**

**\*Subject to university policies and department criteria**

### WHO SHOULD APPLY:

Rutgers postdoctoral trainees and grad students interested in pursuing careers in Intellectual Property Law, Business Development, and/or Academic Tech Transfer. Preference will be given to senior PhD students. Students pursuing Master's degree in business seeking hands-on experience in marketing and business development are also encouraged to apply.

### PROGRAM REQUIREMENTS:

- Minimum commitment of two semesters
- 5-8 hours/week
- Approval of your PI or Advisor

### HOW TO APPLY:

- Download application online.
- Send your application, CV and a statement of interest to [shemaila.sultana@rutgers.edu](mailto:shemaila.sultana@rutgers.edu) by Friday, September 10, 2021.
