Congratulations on earning an advanced degree and welcome to the School of Graduate Studies Alumni Association (SGSAA)! The SGSAA mission is to unite alumni and friends of the School of Graduate Studies in support of the its efforts to continue to achieve excellence in graduate education and research as well as to maintain a lifelong bond with each other. There are no dues and all graduates are automatically members.

The School of Graduate Studies has more than 20,000 living alumni from over 150 programs of study. Our global reach is impressive, extending to more than 100 countries, but our New Jersey roots are strong with half of our graduates remaining within a few hundred miles of the University.
