International MSL Fellowship Program

Rutgers/MSL fellowship program

- Collaboration between Rutgers University and “from SCIENCE to PHARMA”(FSTP)
- FSTP is the largest online CPD-accredited & Board-Certified MSL training program
- Rutgers receives 1-2 fully paid MSL training fellowships per quarter
 - Free access to FSTP’s online Board-Certified (BC-MSLcert) MSL training (\$999)
 - Only the most dedicated candidates will be selected by our board
 - Application link

<https://www.fromsciencetopharma.com/msl-fellowship-application-page>

BC-MSLcert online MSL training program

- Self paced online training program
- Learn everything about the MSL role
- Understand the changing role of the MSL in the product life cycle (PLC)
- Be able to articulate why the MSL role is so essential for pharma
- Understand what recruiters and hiring managers are looking for in a candidate
- Practice MSL interview questions in advance and what questions to ask them
- Learn about the importance of clinical trials, regulatory agencies and compliance
- Have a free MSL interview coaching call with one of our experienced MSL coaches
- Get **Board-Certified** (BC-MSLcert) and be able to beat the competition
 - There are often 100+ candidates per MSL role

from SCIENCE to PHARMA
CPD accredited Board-Certified MSL training

Andrew Piracha PharmD
Rutgers RPIF
USA

2022 MARCH winner of the

Rutgers University & FSTP International MSL Fellowship

Stephania Guzman
PhD student
Rutgers University
USA

from **SCIENCE to PHARMA**
CPD accredited Board-Certified MSL training

Why do I want to become an MSL? (Stephania Guzman)

I get excited talking about science

I want to use my skills to work with many different departments

I want to bridge the gap between pharmaceutical companies and healthcare professionals

Why FSTP is worth doing

Training videos are short, not overwhelming (re watch them again once you're done)

Teach you all the terms you need to know

Give you tips on what questions to ask during interviews at the end of every video
